and join us in celebrating the
Pasadena Public Library System's
Grand Re-opening
red carpet event*

Saturday, June 27, 2009
From 3:00 p.m. - 5:00 p.m.
1201 Jeff Ginn Memorial Dr.
Pasadena, TX 77506

DEEP IN THE HEART OF TEXAS!

Join us at our **NEW CHILDREN'S LIBRARY** this year for an exciting summer full of free programs!

Participate in the 2009 Summer Reading Club, **DEEP IN THE HEART OF TEXAS**, June 6th through August 8th! Children through age eleven are welcome to participate.

Older kids are encouraged to read at their own personal reading level, while younger children who cannot read may participate by listening to stories. Every child is encouraged to read or listen to stories for at least 10 hours each week (600 minutes), and every child will receive a packet of bluebonnet seeds, a free Astro's ticket and a certificate for completing their first 10 hours of reading or listening.

At 20 hours read, children will receive a coupon to a local restaurant and one special drawing ticket. After 30 hours read, children will receive one special drawing ticket and a "grab bag surprise" prize. As children continue to read or listen to books each week, they will get more tickets to enter our grand prize drawing. Children are limited to one special prize entry per week.

We also have summer reading programs for both teens and adults. To win prizes this summer, teens must read 10 hours per entry form. Adults are invited to participate in the Adult Summer Reading Club. To participate, adults complete entry forms for each book they read.

Call us at **713-477-0276** for more information, or visit the Central or Fairmont Branch libraries for a calendar of events.
